The original application has to be handed in by the sportsman/the sportswoman on time before the beginning of the season at the national billiard-federation (home-federation) for authorization.
That one is keeping the original application and has to hand it over on request of the CEB (in point of controversy) to the CEB. One application per authorization to play and host country with original confirmation of the (home) federation has to be handed over by the releasing (home) federation to the applying sportsman/sportswoman for passing-on to the host club/the host country.
One application with an original confirmation of the federation for the attainment of the international CEB authorization to play has be received by the sports director of the CEB till the
30th of August
before the respective beginning of the season at the latest.
Otherwise no authorization to play for foreign countries for each of coming season can be given.
After the 1st of September of each year the CEB sports director will publish the international list of releases.
