CADRE

CADRE GAMES

Article 01 - DEFINITION

Le jeu de cadre donne lieu à plusieurs sortes de parties selon les dimensions et le nombre des cadres.
The cadre disciplines give the opportunity to several kinds of matches according the dimensions and the number of squares

Article 02 – CADRES AND ANCHORS

1. On the playing surface one draws as fine as possible, in white or yellow, lines which form quadrilaterals called cadres (barred zone).
2. Moreover, one draws at the end of each of these lines and astride them small additional squares whereby one of the sides smoothes with the internal side of the cushion. These small squares are named anchors.
3. The prescriptions of the chapter 3 are applicable as far as the line of the cadre and the cadres are concerned are also valid concerning the lines of the anchor and the anchors.

Article 03 - CADRE 47/2 ET 71/2

1. The game surface is divided in cadres and anchors according the drawing of the appendix. (Scheme C and D)
2. The prescriptions about the barred zones in chapter 3 are guilty.
