Remarks

- 1) Only the results of the last three editions are taken in consideration.
- 2) In case of two or more teams with the same ranking points, the ranking position of the involved teams will be defined by taking in consideration, as second criteria, the results of the last four editions
- 3) When a federation plays with two teams, only the best result achieved by one of the two teams is considered into the ranking.
- 4) Starting the season 2012/13 the loser of the semi-finals are both classified in 3rd position achieving 8 points each.
- 5) Starting the season 2013/14 the new ranking points are considered (*)
