#### **APPENDIX 1**

## Rules for the match "Double" (art. 4005 of B/7 5-Pins Rules of the Game)

- 1. Each team is free to designate which player will play the cushion draw. The same player must also start thematch. No change within the team is allowed between cushion draw and first stroke of the
- 2. During the match the active player of a team is replaced by his teammate in the following cases:
  - a. The opponent realizes valid points
  - b. The active player loses points (two or more points of pins and / or red ball).

- c. The active player gives a "free ball" to the opponent (2 penalty points)
- 3. The change of player who has made the foul does not imply a change in the opposing pair
- **4.** Given that the player starting the game is not allowed to score points, he will not be replaced by his teammate if the opponent scores valid points in his first shot. He will however be replaced if he commits afoul or if he scores points (credited to the opponent)
- 5. The teammate can give advices to the active player for the shot. He cannot, however, replace him at the table with or without the cue stick to help find the best shot option. The advice must be strictly theoretical
- 6. As soon as the active player positioned himself to deliver the shot, the partner can no longer intervene
- 7. If a team fails to comply with the points 5 and 6 above, the referee gives them a warning. In case the team keeps acting in this faulty manner, the referee can ask the tournament director who can decide to disqualify the team
- 8. Playing with the wrong ball or with the wrong player is a foul. The opponent team will be credited with 2 penalty points plus all the points scored and will benefit from a "free ball" shot. THE PLAYER WHO WAS SUPPOSED TO PLAY THE SHOT MUST PLAY THE SHOT AFTER THE OPPONENTS HAVE PLAYED THE FREE BALL SHOT. So, as an example, if Team A player 1 shots instead of Team A player 2 it's a foul; Team B play their shot with the free ball and then it's still player A-2 to shot. The foul in that case does not change the player of the team.
- 9. The players cannot ask the referee which one of them has to play the next shot
